Requirements – Disbursements**

AGENCY: U. S. Small Business Administration.

ACTION: Interim final rule.

SUMMARY: On April 2, 2020, the U.S. Small Business Administration (SBA) posted an interim final rule (the First PPP Interim Final Rule) announcing the implementation of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act or the Act). The Act temporarily adds a new program, titled the “Paycheck Protection Program,” to the SBA’s 7(a) Loan Program. The Act also provides for forgiveness of up to the full principal amount of qualifying loans guaranteed under the Paycheck Protection Program (PPP). The PPP is intended to provide economic relief to small businesses nationwide adversely impacted by the Coronavirus Disease 2019 (COVID-19). SBA posted additional interim final rules on April 3, 2020, April 14, 2020, and April 24, 2020. This interim final rule supplements the previously posted interim final rules with additional guidance. This interim final rule supplements SBA’s implementation of the Act and requests public comment.

DATES: Effective date: This rule is effective [INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER].

Applicability date: This interim final rule applies to applications submitted under the Paycheck Protection Program through June 30, 2020, or until funds made available for this purpose are exhausted.

Comment date: Comments must be received on or before [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER].

SUPPLEMENTARY INFORMATION:

I. Background Information

On March 13, 2020, President Trump declared the ongoing Coronavirus Disease 2019 (COVID-19) pandemic of sufficient severity and magnitude to warrant an emergency declaration for all States, territories, and the District of Columbia. With the COVID-19 emergency, many small businesses nationwide are experiencing economic hardship as a direct result of the Federal, State, tribal, and local public health measures that are being

taken to minimize the public's exposure to the virus. These measures, some of which are government-mandated, are being implemented nationwide and include the closures of restaurants, bars, and gyms. In addition, based on the advice of public health officials, other measures, such as keeping a safe distance from others or even stay-at-home orders, are being implemented, resulting in a dramatic decrease in economic activity as the public avoids malls, retail stores, and other businesses.

On March 27, 2020, the President signed the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act or the Act) (Pub. L. 116-136) to provide emergency assistance and health care response for individuals, families, and businesses affected by the coronavirus pandemic. The Small Business Administration (SBA) received funding and authority through the Act to modify existing loan programs and establish a new loan program to assist small businesses nationwide adversely impacted by the COVID-19 emergency. Section 1102 of the Act temporarily permits SBA to guarantee 100 percent of 7(a) loans under a new program titled the "Paycheck Protection Program." Section 1106 of the Act provides for forgiveness of up to the full principal amount of qualifying loans guaranteed under the Paycheck Protection Program. On April 24, 2020, the President signed the Paycheck Protection Program and Health Care Enhancement Act (Pub. L. 116-139), which provided additional funding and authority for the Paycheck Protection Program.

II. Comments and Immediate Effective Date

The intent of the Act is that SBA provide relief to America's small businesses expeditiously. This intent, along with the dramatic decrease in economic activity nationwide, provides good cause for SBA to dispense with the 30-day delayed effective

date provided in the Administrative Procedure Act. Specifically, it is critical to meet lenders' and borrowers' need for clarity concerning program requirements as rapidly as possible because the last day eligible borrowers can apply for and receive a loan is June 30, 2020.

This interim final rule supplements previous regulations and guidance on several important, discrete issues. The immediate effective date of this interim final rule will benefit lenders so that they can swiftly close and disburse loans to small businesses. This interim final rule is effective without advance notice and public comment because section 1114 of the Act authorizes SBA to issue regulations to implement Title I of the Act without regard to notice requirements. This rule is being issued to allow for immediate implementation of this program. Although this interim final rule is effective immediately, comments are solicited from interested members of the public on all aspects of the interim final rule, including section III below. These comments must be submitted on or before [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]. SBA will consider these comments and the need for making any revisions as a result of these comments.

III. Paycheck Protection Program Requirements for Disbursements

Overview

The CARES Act was enacted to provide immediate assistance to individuals, families, and organizations affected by the COVID-19 emergency. Among the provisions contained in the CARES Act are provisions authorizing SBA to temporarily guarantee loans under the Paycheck Protection Program (PPP). Loans under the PPP will be 100 percent guaranteed by SBA, and the full principal amount of the loans and any

accrued interest may qualify for loan forgiveness. Additional information about the PPP is available in the First PPP Interim Final Rule (85 FR 20811), a second interim final rule (85 FR 20817) (the Second PPP Interim Final Rule), a third interim final rule (85 FR 21747) (the Third PPP Interim Final Rule), a fourth interim final rule (85 FR 23450) (the Fourth PPP Interim Final Rule), and a fifth interim final rule (the Fifth Interim Final Rule) posted on April 27, 2020 (collectively, the PPP Interim Final Rules).

1. Disbursements

- a. Can a borrower take multiple draws from a PPP loan and thereby delay the start of the eight-week covered period?*

No. The lender must make a one-time, full disbursement of the PPP loan within ten calendar days of loan approval; for the purposes of this rule, a loan is considered approved when the loan is assigned a loan number by SBA.¹ For loans that received an SBA loan number prior to the posting of this interim final rule but have not yet been fully disbursed, the following transition rules apply:

- The ten calendar-day period described above begins on April 28, 2020.
- The eight-week covered period began on the date of first disbursement.

Notwithstanding this limitation, lenders are not responsible for delays in disbursement attributable to a borrower's failure to timely provide required loan documentation, including a signed promissory note. Loans for which funds have not been disbursed because a borrower has not submitted required loan documentation within 20 calendar days of loan approval shall be cancelled by the lender, subject to the transition rules above. When disbursing loans, lenders must

¹ If the tenth calendar day is a Saturday, Sunday, or legal holiday, the period continues to run until the end of the next business day.

send any amount of loan proceeds designated for the refinance of an EIDL loan directly to SBA and not to the borrower.

The Administrator, in consultation with the Secretary, determined that requiring a single loan disbursement will best serve the interests of both borrowers and lenders and promote the purposes of the CARES Act. A single loan disbursement will eliminate the risk of delays in processing loan disbursement installments, advance the goal of payroll continuity for employees, and provide borrowers with faster access to the full loan amount so that they can immediately cover payroll costs.

- b. By when must a lender electronically submit an SBA Form 1502 indicating that PPP loan funds have been disbursed?*

SBA will make available a specific SBA Form 1502 reporting process through which PPP lenders will report on PPP loans and collect the processing fee on fully disbursed loans to which they are entitled. Lenders must electronically upload SBA Form 1502 information within 20 calendar days after a PPP loan is approved or, for loans approved before availability of the updated SBA Form 1502 reporting process, by May 18, 2020. The lender must report on SBA Form 1502 whether it has fully disbursed PPP loan proceeds. A lender will not receive a processing fee: (1) prior to full disbursement of the PPP loan; (2) if the PPP loan is cancelled before disbursement; or (3) if the PPP loan is cancelled or voluntarily terminated and repaid after disbursement (including if a borrower repays the PPP loan proceeds to conform to the borrower's certification regarding the necessity of the PPP loan request). In addition to providing ACH credit information to direct

payment of the requested processing fee, lenders will be required to confirm that all PPP loans for which the lender is requesting a processing fee have been fully disbursed on the disbursement dates and in the loan amounts reported. A lender must report through either Etran Servicing or the SBA Form 1502 report any PPP loans that have been cancelled before disbursement or that have been cancelled or voluntarily terminated and repaid after disbursement.

The Administrator, in consultation with the Secretary, determined that requiring lenders to report on disbursement within 20 calendar days of loan approval ensures that disbursement of funds to eligible borrowers will occur more rapidly.

This requirement also will enhance SBA's ability to track program data.

2. Additional Information

SBA may provide further guidance, if needed, through SBA notices that will be posted on SBA's website at www.sba.gov. Compliance with Executive Orders 12866, 12988, 13132, 13563, and 13771, the Paperwork Reduction Act (44 U.S.C. Ch. 35), and the Regulatory Flexibility Act (5 U.S.C. 601-612).

Executive Orders 12866, 13563, and 13771

This interim final rule is economically significant for the purposes of Executive Orders 12866 and 13563, and is considered a major rule under the Congressional Review Act. SBA, however, is proceeding under the emergency provision at Executive Order

12866 Section 6(a)(3)(D) based on the need to move expeditiously to mitigate the current economic conditions arising from the COVID-19 emergency. This rule's designation under Executive Order 13771 will be informed by public comment.

Executive Order 12988

SBA has drafted this rule, to the extent practicable, in accordance with the standards set forth in section 3(a) and 3(b)(2) of Executive Order 12988, to minimize litigation, eliminate ambiguity, and reduce burden. The rule has no preemptive or retroactive effect.

Executive Order 13132

SBA has determined that this rule will not have substantial direct effects on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various layers of government. Therefore, SBA has determined that this rule has no federalism implications warranting preparation of a federalism assessment.

Paperwork Reduction Act, 44 U.S.C. Chapter 35

SBA has determined that this rule will not impose new or modify existing recordkeeping or reporting requirements under the Paperwork Reduction Act.

Regulatory Flexibility Act (RFA)

The Regulatory Flexibility Act (RFA) generally requires that when an agency issues a proposed rule, or a final rule pursuant to section 553(b) of the APA or another law, the agency must prepare a regulatory flexibility analysis that meets the requirements of the RFA and publish such analysis in the Federal Register. 5 U.S.C. 603, 604. Specifically, the RFA normally requires agencies to describe the impact of a rulemaking on small entities by providing a regulatory impact analysis. Such analysis must address the

consideration of regulatory options that would lessen the economic effect of the rule on small entities. The RFA defines a “small entity” as (1) a proprietary firm meeting the size standards of the Small Business Administration (SBA); (2) a nonprofit organization that is not dominant in its field; or (3) a small government jurisdiction with a population of less than 50,000. 5 U.S.C. 601(3)–(6). Except for such small government jurisdictions, neither State nor local governments are “small entities.” Similarly, for purposes of the RFA, individual persons are not small entities. The requirement to conduct a regulatory impact analysis does not apply if the head of the agency “certifies that the rule will not, if promulgated, have a significant economic impact on a substantial number of small entities.” 5 U.S.C. 605(b). The agency must, however, publish the certification in the Federal Register at the time of publication of the rule, “along with a statement providing the factual basis for such certification.” If the agency head has not waived the requirements for a regulatory flexibility analysis in accordance with the RFA’s waiver provision, and no other RFA exception applies, the agency must prepare the regulatory flexibility analysis and publish it in the Federal Register at the time of promulgation or, if the rule is promulgated in response to an emergency that makes timely compliance impracticable, within 180 days of publication of the final rule. 5 U.S.C. 604(a), 608(b).

Rules that are exempt from notice and comment are also exempt from the RFA requirements, including conducting a regulatory flexibility analysis, when among other things the agency for good cause finds that notice and public procedure are impracticable, unnecessary, or contrary to the public interest. SBA Office of Advocacy guide: How to

Comply with the Regulatory Flexibility Act, Ch.1. p.9. Accordingly, SBA is not required to conduct a regulatory flexibility analysis.
